- Commitment to Serve

Founders, **Barney and Karla Murnin** were married in Miles City, Montana in 1985. Each of them had previously committed their lives to Jesus as their personal Savior.

Sometime in the late 1990s, Karla received a vision from the Lord to start a transitional housing ministry that would be called The Way Home. After several years of praying about how to start such a ministry, Karla and Barney committed to two years of ministry training.

The Way Home MT became a reality in October of 2018.

Their passion is to see people in transition find adequate, appropriate and affordable housing and to help them discover more completely how God created them and for what purpose they were created.
